

**NORTHERN TECHNOLOGIES INTERNATIONAL CORPORATION
AUDIT COMMITTEE CHARTER**

Organization

The Audit Committee (the "Committee") is a standing committee of the Board of Directors (the "Board") of Northern Technologies International Corporation (the "Company"). This charter governs the operations of the Committee.

Purpose and Authority

The purpose of the Committee is to assist the Board in fulfilling its oversight responsibility relating to the Company's annual and quarterly financial statements provided to its stockholders and the Securities and Exchange Commission (the "SEC"), the Company's financial reporting process, its internal control over financial accounting and disclosure controls and procedures, the annual independent audit of the Company's financial statements, and the effectiveness of the Company's legal compliance and ethics programs. In so doing, it is the responsibility of the Committee to maintain free and open communication among the Committee, management and the Company's independent registered public accounting firm.

The Committee should have a clear understanding with the Company's independent registered public accounting firm that the Committee is directly responsible for the appointment, compensation, retention and oversight of the Company's independent registered public accounting firm, and that the ultimate accountability of the firm is to the Committee and to the Board. In discharging its oversight role, the Committee is empowered to investigate any matter brought to its attention by the auditors, an employee, the Chief Executive Officer, the Chief Financial Officer or any outside party and in conducting any such investigation, the Committee shall have full access to all books, records, facilities, and personnel of the Company and the power to retain outside counsel or other experts or advisors as the Committee deems necessary for this purpose. The Company shall provide appropriate funding, as determined by the Committee, for payment of compensation to any registered public accounting firm engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Company and for any advisors employed by the Committee, as well as for the payment of ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties.

Membership and Structure

Members of the Committee shall be appointed by the Board and shall serve until their successors are appointed and qualify. Each Committee member may be removed by the Board at any time.

The Committee shall consist of at least three directors. All Committee members shall meet the independence requirements for serving on audit committees set forth in the federal securities laws and under the rules and regulations established by the SEC and the NASDAQ Stock Market, as may be amended from time to time. No member of the Committee shall have participated in the preparation of the financial statements of the Company or any current subsidiary of the Company at any time during the preceding three years. All Committee members shall be able to read and understand fundamental financial statements, including a company's balance sheet, income statement and cash flow statement. At least one member of the Committee shall have past employment experience in finance or accounting, requisite professional certification in accounting, or any other comparable experience or background which results in the individual's financial sophistication, including being or having been a chief executive officer, chief financial officer or other senior officer with financial oversight responsibilities and otherwise qualifies as an "audit committee financial expert," as defined and required under the federal securities laws and rules and regulations of the SEC, as amended from time to time.

The Board shall be responsible for determining “independence” of Committee members and other qualifications, including without limitation qualification of a member as an “audit committee financial expert.”

Notwithstanding the foregoing, one director who does not meet the NASDAQ definition of “independent director”, but who meets the other criteria set forth in Section 10A(m)(3) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and the rules and regulations thereunder, and who is not a current officer or employee of the Company or an immediate family member of such officer or employee, may serve for no more than two years on the Committee if the Board, under exceptional and limited circumstances, determines that such individual’s membership on the Committee is required by the best interests of the Company and its stockholders. Such person must satisfy the independence requirements set forth in Section 10A(m)(3) of the Exchange Act, and may not chair the Committee. The use of this “exceptional and limited circumstances” exception, as well as the nature of the individual’s relationship to the Company and the basis for the Board’s determination, must be disclosed in the Company’s annual proxy statement.

In addition, if a Committee member ceases to qualify as an “independent director” under the Listing Rules of the NASDAQ Stock Market for reasons outside the member’s reasonable control, his or her membership on the Committee may continue until the earlier of the Company’s next annual stockholders’ meeting or one year from the occurrence of the event that caused the failure to qualify as independent. If the Company is not already relying on this provision, and falls out of compliance with NASDAQ’s requirements regarding Audit Committee composition due to a single vacancy on the Committee, then the Company will have until the earlier of the next annual stockholders’ meeting or one year from the occurrence of the event that caused the failure to comply with this requirement. The Company shall provide notice to NASDAQ immediately upon learning of the event or circumstance that caused the non-compliance, if it expects to rely on either of these provisions for a cure period.

Members shall not serve on more than three public company audit committees simultaneously unless the Board determines that such simultaneous service would not impair the member’s ability to serve effectively on the Committee.

Appointment to the Committee, including the designation of the Chair of the Committee, shall be made on an annual basis by the full Board. Meetings of the Committee shall be held at such times and places as the Committee shall determine, including by written consent; provided, however, that the Committee shall meet at least once each fiscal quarter. The Committee may invite members of management or other advisors to attend meetings and provide pertinent information. The Committee periodically shall meet separately with management, in executive session outside of the presence of management and in executive session with the Company’s independent registered public accounting firm outside of the presence of any management. The Chair of the Committee shall report on activities of the Committee to the full Board. In fulfilling its responsibilities, the Committee shall have authority to delegate its authority to subcommittees, in each case to the extent permitted by applicable law.

Responsibilities and Processes

The primary responsibilities of the Committee are as follows:

- The Committee shall oversee the Company’s financial reporting process, internal control over financial reporting and disclosure controls and procedures on behalf of the Board and report the results or findings of its oversight activities to the Board.

The Committee may establish pre-approval policies and procedures, as permitted by Section 10A of the Exchange Act and the rules and regulations promulgated thereunder, for the engagement of the Company's independent registered public accounting firm to perform audit services and permissible non-audit services, including but not limited to policies that allow the formation and delegation of authority to subcommittees consisting of one or more members of the Committee, provided that any decisions of such subcommittee to grant pre-approvals shall be presented to the full Committee at its next scheduled meeting.
- The Committee shall establish procedures for the receipt, retention and treatment of complaints regarding accounting, internal accounting controls or auditing matters and for the confidential, anonymous submission by the Company's employees of concerns regarding questionable accounting or auditing matters.
- The Committee shall oversee the Company's systems to monitor legal and ethical compliance programs, including the establishment and administration (including the grant of any waiver from) a written code of ethics applicable to the Company's principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions.

In carrying out its responsibilities, the Committee believes its policies and procedures should remain flexible, in order to best react to changing conditions and to ensure that the corporate accounting and reporting practices of the Company are in accordance with all requirements and are of the highest quality.
