Northern Technologies International Corporation to Announce Fiscal 2013 Second Quarter Financial Results and Host Webcast

MINNEAPOLIS, April 4, 2013 (GLOBE NEWSWIRE) -- Northern Technologies International Corporation (Nasdaq:NTIC) today announced that it expects to release its fiscal 2013 second quarter financial results on Thursday, April 11, 2013 prior to the opening of the regular trading market. A copy of the news release will be available on the Investor Relations section of NTIC's webpage (www.ntic.com).

In conjunction with NTIC's release of its financial and operating results, investors, analysts and other interested parties are invited to participate in a conference call with management on Thursday, April 11, 2013 at 9:00 a.m. Eastern Time.

NTIC management will review NTIC's fiscal 2013 second quarter financial results and future outlook, which will be followed by a question and answer session.

Details for the conference call are as follows.

NTIC Fiscal 2013 Second Quarter Earnings Conference Call and Webcast

9:00 AM ET (8:00 AM CT, 7:00 AM MT, 6:00 AM PT)

URL EVENTS & PRESENTATIONS WEB PAGE:

The live audio webcast can be accessed at the following link: <http://ir.ntic.com/events.cfm>. A link to the webcast is also available on the Investor Relations section of NTIC's webpage. Participants are advised to go to the website at least 15 minutes early to register, download and install any necessary audio software. For those unable to participate in the live webcast, a replay of the webcast will be archived and accessible for approximately one year on the Investor Relations section of NTIC's webpage.

About Northern Technologies International Corporation

Northern Technologies International Corporation develops and markets proprietary environmentally beneficial products and technical services either directly or via a network of majority owned subsidiaries, joint ventures and independent distributors in over 55 countries. NTIC's primary business is corrosion prevention. NTIC has been selling its proprietary ZERUST® rust and corrosion inhibiting products and services to the automotive, electronics, electrical, mechanical, military and retail consumer markets, for over 35 years. NTIC also offers worldwide on-site technical consulting for rust and corrosion issues. NTIC's technical service consultants work directly with the end users of NTIC's products to analyze their specific needs and develop systems to meet their technical requirements. In addition, NTIC markets proprietary bio-plastic technologies under the Natur-Tec® brand.
